Dear Judge and Court Clerk:

My understanding is that a new CJA lawyer was to be appointed to represent me, as of June 24, 2022. Thus far, no one has contacted me. I demand a speedy and public jury trial - I don't want any delays. Please have my new lawyer contact me ASAP - tell them to come see me. I want to make sure the plea withdrawal is processed as quickly as possible (the Court was notified 6/24/22 of the plea withdrawal). I am innocent of all charges and look forward to being acquitted.

Thank you,

ERIC HAFNER
